

South Australian Radio Yacht Club Inc.

SCORING OF CLUB CHAMPION TITLES

Club Champion (each Class) competition will be scored in a series of 4 events

1. *Note: An **event** is a series of **rac**es held over one days sailing.* Each event (days sailing) will be raced over a maximum of 12 with a minimum of 3 completed races. A minimum of three (3) starters is required to constitute a race. In the event that there are only three (3) starters all yachts will be required to cross the start line in the first race. A minimum of two starters must cross the start line in any further races to constitute an event. A boat sailing the course on its own will only score points for that race if the other competitors cross the start line.

All members competing for a Class Championship event must register for the competition. This would be by sailing in any or all of the nominated 4 events of the competition. At the end of the 4 days of events the **total number** of competitors who have sailed in any or all of the four events will constitute the **number** of entrants to be applied to the re-scoring of the **four events** for the purpose of deciding the Club Champion for that class.

Eg.

Each day (event) sailed will be scored as per normal (RRS A2 Low Point Scoring System) and the winner for that day will be determined. This will occur for the 4 events selected.

At the end of the 4 days scores for each day will be re-allocated on the basis of the maximum number of members who have sailed in any or all of the events (4 days).

Vis. While the number of members sailing in any one day may be 5, the maximum number in the event may be 8 due to all members not sailing at the one time (Having missed some events). Those not starting on any sailing day would then be scored as DNC.

Scoring Example:

NAME	Event								
	1	Pts	2	Pts	3	Pts	4	Pts	Score
A	3	3	1	1	2	2	2	2	8
B	1	1	3	3	DNC	8	1	1	13
C	5	5	2	2	1	1	DNC	8	16
D	4	4	5	5	4	4	5	5	18
E	2	2	4	4	DNC	8	3	3	17
F	DNC	8	6	6	6	6	4	4	24
G	DNC	8	DNC	8	5	5	6	6	27

Note:

To be eligible to score points for the Club Champion Trophies the boat sailed will have a valid Measurement Certificate (Inc. numbers on sails) and be sailed by a Financial Member of the club.
